Welcome to my blog.

1/17

Guys, I am so excited to be working with my good co-worker, Bill Null, on this exciting space launch! Wish us luck!

1/19

Guys, I love cyber security.

1/28

Guys, I've been playing Marvel Rivals, and I must say... MANTIS IS THE GOAT.

2/1

Guys,

2/12

Guys, Me and Bill Null finally got the file for the space launch finished. Time to make a password for it! If you have any ideas send me an email at my work email: gagejohnson.nullify.space.corp@outlook.com

**2/13**

Guys, oh boy am I hungry.

2/13

Guys, update: I ate.

2/17

Guys, I don't understand why people put uppercase letters or spaces/underscores in their passwords. Just make it all lower case and smash all the words together with no spaces or underscores. It makes it easier to remember.

2/18

Guys, me and Bill are getting in an argument over the password I set :(

2/18

Guys, Is this bad?

2/21

Guys, I think I will watch LOTR again. Peak.

2/24

Guys, I may have made a mistake…. Can't remember the password for the space launch…

3/2

Guys, I can't get in contact with Bill. He won't answer my emails. Like we work for the same company so you can recognize our email template and know it's me from work.

3/3

Guys, I might get fired if I can't get the password from Bill.

3/10

Guys, can someone please talk to Bill, I'm going to get fired.

3/15

Guys, welp I got fired. I'm going to find this password so they will hire me again!!!!!
